

ACF/COLLEGIATE DISCIPLEREK

Experience the Journey!

DiscipleTrek is a growing movement of young adults choosing to deepen their faith in a 3-week, faith-anchoring adventure. In this fast-paced secular world, it takes dedicated time to come to know God and to trust His character of love. This is exactly what this dynamic cohort journey is about!

The program includes small groups, inspirational presenters, recreation, incredible outdoor experiences, and outreach opportunities. This young adult movement – by young adults and for young adults – is on the grow!

This summer, ACF leaders are invited to rally together to advance their personal discipleship as well as to strengthen and encourage one another in their leadership roles on campuses across North America. Join. Experience. Prepare to share God's love and truth – wherever He calls!

Application Deadline: May 27, 2024
